Donor Information and Benefits

Support Women Veterans Australia

Women Veterans Australia is a registered not-for-profit charity and advocacy organization, operated by a dedicated team of volunteers. As an inclusive organization, we are committed to providing support and services that help women veterans achieve their full potential.

At Women Veterans Australia, your generosity plays a crucial role in our mission, enabling us to rise together like the Phoenix and empower women veterans to thrive beyond their service. Your donation directly supports veteran-focused initiatives through the Phoenix Program, an adaptive initiative that addresses key areas such as personal care, professional development, health and wellness, and community engagement. Additionally, your contribution helps fund vital research sponsorships, driving systemic change that benefits women veterans across the country.

The “Sustain the Phoenix” program ensures the continued delivery of vital veteran-facing activities, including:

- Enabling personal growth retreats and leadership seminars that empower women veterans to reclaim their sense of purpose, build confidence, and develop essential leadership skills.
- Funding tailored peer support programs and mentorship initiatives, fostering strong connections and providing veterans with the guidance they need to successfully navigate life beyond service.
- Supporting health and wellness activities such as trauma-informed yoga, resilience coaching, and mental health workshops, ensuring women veterans have access to holistic care and healing resources.
- Providing career transition support and vocational training opportunities, including skills development, career mentoring, and networking, to empower women veterans in their professional pursuits.
- Funding long-term leadership development initiatives and regional outreach programs, ensuring that women veterans in remote and underserved areas have access to vital resources and community support.

By sponsoring these comprehensive wellness, resilience, advocacy, and veteran engagement efforts, your contribution will leave a lasting impact and ensure sustained support for women veterans across Australia.

Advance Research & Advocacy

Drive Systemic Change

- \$10,000 – Insight Partner
- \$25,000 – Impact Partner
- \$50,000 – Legacy Partner

Help shape the future of women veterans' support and drive meaningful, lasting transformation.

To ensure the implementation of the most effective programs for women veterans, further research with a gendered perspective is essential. By partnering with us through our "**Advance Research and Advocacy**" initiative, we can work together to drive systemic change through::

- Contributing to research initiatives that amplify the lived experiences of women veterans and inform impactful policy recommendations.
- Supporting large-scale data analysis and community consultations to promote evidence-based advocacy.
- Funding comprehensive research reports that address systemic challenges and provide actionable recommendations for change.

Your partnership will help shape the future of women veterans' support and drive meaningful, lasting transformation.
